Career Objective

Motivated and hardworking Electrical Engineering student with practical experience in electrical repairs, manufacturing operations, and warehouse logistics. Seeking an internship to apply hands-on skills and contribute to operational efficiency and innovation in a dynamic environment.

Profile Summary

Motivated **Electrical Engineering** student with hands-on experience in **electrical repairs**, **manufacturing operations**, and **warehouse logistics**. Proven ability to work effectively in fast-paced environments, handling critical tasks such as **inventory management**, **forklift operation**, and **quality control**. Strong communicator and team player with a track record of meeting operational goals and ensuring workplace safety.

Key Accomplishments

- Contributed to the **maintenance and repair** of electrical systems, reducing downtime by 15% during **warehouse operations**.
- Managed and optimized **inventory processes**, ensuring 99% accuracy in stock tracking.
- Successfully operated machinery in **manufacturing settings**, increasing production efficiency by 20%.
- Completed **hands-on training** in **material handling**, and **safety protocols**, resulting in a 100% compliance rate during safety audits.

Skill Matrix

Skill Category	Skills
Electrical Engineering	Electrical Repairs, Electrical Wiring, Electrical Systems Troubleshooting
Manufacturing Operations	Machinery Operation, Production Efficiency, Quality Control
Warehouse Operations	Inventory Management, Forklift Operation, Material Handling
Technical Skills	Hands-on Training, Tube Bending, Product Quality, Team Management, Building Envelope
Landscaping	Landscaping, Landscape Design, Landscape Architecture, Mowing, Forman

Education

Bachelor of Science in Electrical Engineering

Southern California Institute of Technology, Tustin, California, USA

Expected Graduation: 2025

Experience

Professional Mover

Sonder Living

May 2019 – January 2024

- Inspected furniture for damage and ensured proper protection during transport, reducing damage incidents by 15%.
- Packaged and delivered commercial and residential furniture, meeting deadlines and increasing on-time deliveries by 10%.
- Delivered high-quality customer service to clients, addressing concerns promptly and contributing to a 20% increase in customer satisfaction.

Electrical Apprentice

Sunwest Electric

August 2024 – November 2024

- Performed electrical work, including wire running, PVC conduit installation, and EMT setups, contributing to the successful completion of 5+ projects on schedule.
- Demonstrated strong communication and interpersonal skills, fostering effective collaboration within the team.
- Applied problem-solving techniques to address and resolve electrical issues, ensuring minimal project delays.

Machine Operator

Advanced Image Direct

2019 – 2021

- Operated machinery and equipment following strict operational guidelines to ensure smooth production processes.
- Troubleshoot equipment and production issues, maintaining safety standards and optimizing machine uptime by 10%.
- Conducted quality control and maintained detailed record-keeping to ensure product standards and compliance with company policies.
